

Ittijah

15 septembre 2015

Ittijah est un réseau de 72 associations, dont l'objet principal est la défense des droits des Palestiniens d'Israël. Le réseau est divers en termes d'affiliation politique et base son travail sur le volontariat. Ittijah a la volonté d'améliorer les liens avec la Cisjordanie et de défragmenter la communauté palestinienne. Il travaille notamment sur la Nakba, sur le droit au retour et l'implication des jeunes Palestiniens d'Israël.
