An end to the 1967 occupation of all Arab lands, particularly the occupation of the West Bank, including East Jerusalem, and Gaza, and its associated regime

The right of Palestinian citizens of Israel to full equality

The unconditional release of all Palestinian prisoners

Tools To Achieve These Objectives :

Realization and coordination of joint actions/campaigns

Promotion of the BDS Campaign and its objectives as laid out in the 2005 BDS Call

Advocacy in support of Palestinian prisoners

Support for the Russell Tribunal on Palestine

Pressure on European States and EU Institutions to :

Respect international law and the fundamental rights of the Palestinian people

Take effective action to ensure Israeli adherence to international law

Deny Israel any preferential status until it complies with international law
